**PLEASE BRING TO YOUR FIRST APPOINTMENT:**

- ① X-rays from your referring dentist, if given to you
- ② A list of your medications and other health information
- ③ Any dental insurance you have, including your insurance card.

If you need premedication due to health conditions, such as artificial joints or heart valves, congenital heart problems, or any other medical reason, please contact your medical physician or dentist regarding an antibiotic prescription to take before the dental procedure.

## **DIRECTIONS**

We are located in the second business condominium behind the Walgreens pharmacy at Johnson Drive and Roberts Street in Shawnee, Kansas. From the Walgreens, travel north on Roberts Street a short distance and turn right at the driveway between the first and second condominiums. Proceed around to the front of the second building.

### **From K-7 Highway**

Exit at Johnson Drive and travel east to the traffic circle with the Walgreens pharmacy.

### **From I-435**

Exit at Johnson Drive and travel west four miles to the traffic circle with the Walgreens pharmacy.
